No hentai is allowed in any case • Profile Pictures - Comments made by users with NSFW profile pictures may be removed, depending on the contents of the picture.. Disliking an opinion is not a valid reason for flagging • Spoilers - Do not post them! It doesn't matter if someone asked for them, or not - it will still result in a warning and/or a ban.

- Also, comments are not an advertising board! • Comments containing just links with no text will usually be removed, unless they're an answer to another comment.. • Flaming / Swearing - While swearing is allowed (unless really excessive), do not direct it at other users.. But some training must be done, as Gon and Killua's abilities are still at a developing stage and 'Greed Island' is no simple game for anyone to play with.. - These types of Youtube videos will not be tolerated: • Non anime related • 'Anime Rant' videos will be removed since we have no way of confirm whether it's for self-promoting or no.. In any way, do not start or participate in any flame wars Flag comments violating this rule and we will deal with them accordingly.. Slight ecchi/fanservice is allowed but hentai is not • Posting Pictures - Limit comments to a maximum of 3 images or less.. However, Gon came up with a better plan, which was to volunteer to complete the game for the billionaire who owned it. 773a7aa168 [Ut0rrent Free Download](#)
